# THE MAINE ALUMNUS

UNIVERSITY OF MAINE LIBRARY  
ORONO, MAINE

JUNE

1940

## *In Retrospect*

---

IN February of this year the University of Maine celebrated the Seventy-fifth Anniversary of the founding of the Maine State College of Agriculture and the Mechanic Arts. This significant anniversary marked a period of growth and accomplishment and stood, at the same time, as a symbol of continued progress in the years to come.

This seventy fifth year of the University's existence has itself brought important milestones of progress. In the fall semester student enrollment reached, for the first time in our history, the two thousand mark.

The completion, this spring, of a fine new residence hall for women, Estabrooke Hall, provides modern and comfortable facilities greatly needed by the women students.

The celebration of Seventy-fifth Founder's Day itself is a memorable part of the year's history, including, as it did, a nation-wide radio broadcast of the program.

Commencement Day this June saw the award of more than four hundred academic degrees.

Above all other events of the year in interest stands, perhaps, the launching of the Library Campaign. The historic value of this event is overshadowed by its importance to the future. In this splendid undertaking, the loyalty and faith of students, faculty, alumni and friends of Maine unite to assure to the Maine men and women of tomorrow the continued high standards of education given in the past. For all who help make possible the construction of the new Library will share in this promise that the progress for which Maine has stood during the past seventy-five years will continue to be realized.

Thus at the close of this seventy-fifth year of the history of the University of Maine, it is highly significant that in the Library project we dedicate the University and its friends unalterably once more to the future. Through continued loyalty, cooperation, and faith, the coming seventy-five years can be made as productive of progress as those so splendidly completed.

# REUNION CLASS FROLICS

**FROLICS** Reunion Classes presented during the afternoon of Alumni Day the traditional Class Frolics for the entertainment of themselves and others. At the top, 1915 gave to twelve faculty members mementos of remembrance in token of continuous service since the graduation of the class. In the center, at left, 1926 and 1927 compete for the election of Commencement Mayor, with a tie vote electing both Irville Cheney, '26, and Florence Gusee, '27, center, Robert Thuriell, '15, served successfully as Master of Ceremonies; at right, 1938 frolicked in "Wild Nell, the Pet of the Plains." Rudy Vallee starred for 1925 with a program of radio personalities and impersonations.

# ALUMNI DAY EVENTS

A new record for attendance at the Alumni Banquet, the climax of the events of Saturday, June 8, Alumni Day, added the finishing touches to one of the most successful and well attended alumni programs in recent years. Featured by outstanding reunion classes and an enjoyable and successful program, Alumni Day, 1940 went down in Maine's history as one of the best.

High on the honor list of classes for this year went the names of the fifty-year reunion class, 1890, and the twenty-five-year group, 1915, winners of two attendance cups, the Class of 1908 and the Twentieth Century cup respectively. Eighteen-ninety tallied a total of 12 members returned for 52.2% of their membership while 1915 registered 48 members for 23.7%, the highest actual registration of any twenty-five-year class in history, breaking the record set last year by 1914.

One of the highlights of the evening was the presentation by R. H. Fogler, '15, to Ralph Whittier, '02, treasurer of the University of Maine Foundation, of a \$2,500 class gift from 1915, largest class gift on record.

Younger reunion classes were busy. The Class of 1938, holding their first reunion, two years out, walked off with honors and the new President's cup established this year by the Alumni Association for the

class showing the largest total registration for the day. The class registered 58 members to obliterate all previous records.

In addition to the impressive record of 1030 guests present at the Alumni

banquet Saturday evening, a new high was also recorded at the noon luncheon of 470, given this year as in recent years in honor of the fifty-year class. Special certificates of recognition were presented to all members of the golden group, 1890, at the luncheon by retiring president Fred D. Knight, '09.

Highlights of the banquet program included talks by Frank A. Banks, '06, famous engineer, Governor Lewis O. Barrows, '16, and President Hauck. Toastmaster for the banquet was Raymond H. Fogler, '15. Close and climax of the evening program was a most enjoyable and successful entertainment put on by Rudy Vallee, '25, after a brief banquet talk. Songs and dramatic interpretations in music were thoroughly enjoyed by the large audience as Maine's ace entertainment star was recalled again and again to the microphone by enthusiastic applause.

## Elections

Alumni business occupied the attention of many during the forenoon both through class organization meetings and the General Alumni Association meeting following the annual meeting of the Alumni Council on Friday. The detailed results of General Alumni Association business is reported elsewhere.

New officers for the Alumni Association were elected. George D. Bearce, '11, of Bucksport, formerly vice president of the association, succeeds Fred D. Knight as president. He will be assisted by Robert Thurrell, '15, of Wolfeboro, N. H., vice president and Winthrop C. Libby, '32, of Orono, as treasurer replacing Paul Bray, '14, who has given long and faithful service in this capacity. M. D. Jones, '12, continues as clerk.

Five alumni were elected to the Alumni Council, two of whom are new members. Alfred B. Lingley, '20, of Providence, R. I., filled a vacancy caused by the resignation of Robert F. Thurrell, '15, who as vice president is ex-officio member of the Council. Thomas N. Weeks, '16, of Waterville, was elected to succeed Robert W. DeWolfe, '07, as representative of College of Law Alumni. Fred D. Knight, '09, of Boston, retiring President of the Association, was elected to succeed Raymond H. Fogler, '15, and George S. Williams, '05, of Augusta, and Norman H. Mayo, '09, of Portland, were named to succeed themselves. Clifford Patch, '11, of Bangor, was elected to succeed Clifton A. Hall, '10, as an alumni member of the Athletic Board.

Votes of appreciation were passed in recognition of the able and faithful services of Messrs. Fogler, DeWolfe, Bray, and Hall, all of whom had served ten or more years in their respective offices.

**PARADE.** Governor Lewis O. Barrows, '16, and President Hauck led the traditional Parade of Classes into the banquet hall for the Alumni Banquet, climax of the events of Alumni Day. Other guests following are Raymond H. Fogler, '15, Toastmaster, Fred D. Knight, '09, Alumni President, Rudy Valle, '25, Banquet Speaker.

# COMMENCEMENT, 1940

COMMENCEMENT exercises for the 69th annual graduation program were marked by the award of 364 bachelor degrees in the four divisions of the University to members of the Class of 1940, the bestowing of 33 master's degrees and eight honorary degrees, on Monday, June 10.

The Class of 1940, newest members of the General Alumni Association, held their own exercises on Friday, June 7, Class Day, with Harold A. Gerrish, as valedictorian; William W. Treat, orator; Elnora Savage, ode; Julia Warren, poem; Donald Smith, history; Kenneth Burr, prophecy for men; Alice Ann Donovan, prophecy for women; Malcolm Roberts, gifts for men; Marion FitzGerald, gifts for women.

A leading feature of the program at Commencement was the announcement of the award of the two alumni watches to the outstanding senior man and woman. The Washington Alumni Watch to the outstanding senior man was presented to Harold A. Gerrish, of Lisbon Falls, class president, valedictorian, athlete, and scholar; the Portland Alumnae Watch went to Alice Ann Donovan, of Houlton, judged most outstanding among the women of 1940.

The award of 33 master's degrees to graduate students, included 16 graduates of the University. Master of Arts degrees were awarded in Education, English, French, History, Mathematics, and Zoology; and Master of Science degrees in Agronomy, Bacteriology, Biochemistry, Botany, Chemistry, Chemical Engineering, Dairy Industry, Physics, and Educa-

tion. Alumni receiving Advanced degrees were Cecil J. Cutts, '25, Raymond S. Finley, '25, Philip J. Brockway, '31, Bernard J. Mann, '33, Rosella A. Loveitt, '30, Maple I. Percival, '29, Alfred P. Mallett, '39, Ross P. Spear, '30, Beryl E. Warner, '35, Ronald E. Barnes, '38, Edith Bolan Ogden, '33, Nelson B. Carter, '38, Harry D. Crandon, '29, Amasa S. Getchell, '38, Alan F. Kirkpatrick, '39, George E. Philbrook, '38.

Sunday, June 9, was the traditional baccalaureate Sunday. The sermon this year was presented by Rev. Rensel H. Colby, pastor of the First Congregational church at South Paris. Speaking on the subject "The Measured Mile," he presented the outgoing class with an interesting and inspiring sermon.

Speaker for Commencement was Dr. Fred Engelhardt, president of the neighboring University of New Hampshire, whose subject "Work" was a forceful and timely presentation.

## Honorary

Eight honorary degrees were conferred by President Hauck at the traditional climax of the Commencement exercises. Recipients this year were notable in many walks of life.

The Honorable Frederick Hale, of Portland, received the Doctor of Laws in recognition of his veteran services in the public weal as United States Senator for four terms. Anne Carroll Moore, of New York City, the only woman to receive an honorary from Maine this year, was named Doctor of Humane Letters in recognition of her work in the New York Public Library where, since 1906, she has

served as superintendent of work with children and also for her previous work as head of the children's department, Pratt Institute Library. She is a native of Limerick, Maine; her father served as one of the early trustees of the University.

Arthur H. Norton, of Portland, a prominent scientist, native of Maine and, since 1905, the curator of the Portland Society of Natural History, was given the degree of Master of Science. Engineer Frank A. Banks, '06, received recognition for his nationally prominent engineering and administrative work on construction projects in the West, including Grand Coulee Dam, by the degree of Doctor of Engineering.

Another alumnus, Will R. Howard, '82, of Belfast, was named as an outstanding educator and school administrator for many years. He was given the degree of Master of Arts in recognition of his long service. William H. Rowe, historian, educator, and secretary of the Maine Historical Society, widely known as a writer on Maine maritime history, a native of Maine, was given the degree Master of Arts.

Another author, Richard M. Hallett, of Boothbay, writer about the sea, the forest, and the mine, was honored, for his insight into the lives of workers and his stirring tales, with the degree Doctor of Letters. The Commencement speaker, Dr. Fred Engelhardt, president of the University of New Hampshire, a noted figure in educational fields as well as a writer of textbooks and leader of a neighboring university, was presented the degree of Doctor of Laws.

HONORED: Recipients of Honorary Degrees from the University at Commencement this year were eight in number. Above, left to right: William H. Rowe, M.A.; Arthur H. Norton, M.S.; Will R. Howard, '82, M.A.; Richard M. Hallett, Litt.D.; President Hauck; Governor Barrows; Hon. Frederick Hale, LL.D.; Frank A. Banks, '06, Eng.D.; Fred Englehardt, LL.D.; Anne C. Moore, L.H.D.; Edward E. Chase, '13, President of the Board of Trustees.

# LIBRARY DRIVE REACHES 60%

**L**ATEST tabulation of the subscriptions to the Library Campaign shows a total of 4,013 gifts amounting to \$154,827.19 from alumni, students and faculty, which, together with gifts of friends, brings the total to \$160,877.19.

In submitting a report to the Alumni Council and the General Alumni Association at Commencement, the Library Fund Committee pointed out that they had achieved 60% of the objective of \$250,000 and were gratified that there had been such a widespread display of interest in the Campaign.

The Campaign, as of June 7, showed that 22% of the list of alumni prospects had subscribed and that two-thirds of those who had been interviewed up to that date, upon whom reports had been made, showed their interest by making a gift or subscription.

The Committee was optimistic as to the ultimate results, with still over 5,000 alumni prospects yet to be heard from. The Committee, in its report, particularly commended the students for the success of their campaign and also the Non-Alumni Faculty who turned in reports that 90% of the non-alumni faculty had subscribed \$12,000. Of special significance was the fact that a total of \$34,000, or about 22% of the amount subscribed up to June 7, had been given by alumni, faculty, and students at the University.

The Special Gifts Committee, of which Raymond H. Fogler, '15, is chairman, reported 74 gifts amounting to \$50,070 with still a number of prospects yet to be seen.

The report rendered by George D. Bearce, '11, as vice chairman of the committee for Norman H. Mayo, '09, chairman, indicated that there were three points of particular significance in the campaign to date: first, that the average size of subscription is somewhat smaller than had been expected; second, that in some areas they had not been successful in signing up the number of workers which the campaign plan had hoped for, and third, that, for some reason, workers in some areas had not found it possible to contact a considerable number of alumni. Confidence has been expressed repeatedly by a number of area chairmen that they would succeed in reaching their quota, and it is expected that the campaign work will continue to be active until the goal has been reached.

Each one will continue the activity during the summer months and strive to reach its quota as rapidly as possible.

A detailed standing of the gifts and subscriptions by areas and classes appears on this page.

## STANDING BY AREAS

Four areas have now reached or exceeded their Library Fund quotas, Eastern Pennsylvania having achieved their goal during the past month. Area chairmen have reported almost \$20,000 additional subscriptions since the last area standing was published, bringing the total for the general campaign to \$79,112. The White Mountain area moved from 25th to sixth position. The greatest gain was made by Tennessee which jumped from the bottom of the list to thirteenth place. Following is the standing by areas—

## STANDING BY CLASSES

The classes of 1885 and 1917 hold leading positions in the Library Fund general campaign, which has shown substantial progress during the past month. 1885, always a fine class in supporting University and alumni projects, moved from 32nd to first position in the per cent of its members who have subscribed to the Fund, having a figure of 28.6%. Of special significance, however, is the fact that 1923, one of the larger classes stands second with 26.3%.

Measured in terms of total amount contributed, 1917 leads with \$3,381. However, its margin over 1911 with \$3,322 is very narrow.

The younger classes are having a merry race for largest number of subscribers. 1933 with 98 stands first, but 1934 with 97, 1938 with 94, and 1936 with 93 are making it interesting for the leader.

## Reunion Class Reports

The Senior Alumni, meeting at The Maples to induct into their ranks the Class of 1890, newest members of the group, voted to confer upon Professor George H. Hamlin, '73, of Orono, the title President Emeritus because of his wish to be relieved of the duties he has held for four years. New officers of the group are, president, John S. Williams, '87, Guilford, vice presidents, Ralph H. Marsh, '88, Guilford, and John W. Hatch, '88, Bangor, secretary-treasurer, James N. Hart, '85, Orono, and auditor, George P. Gould, '90, Bangor.

The Class of 1907 held their class meeting with ten present making a contribution to the Alumni Activities Fund and re-electing Carl Lekberg, of Worcester, as secretary. The Class of 1908, with fourteen in attendance, chose Raymond Fellows, of Bangor, as president and James A. Gannett, of Orono, as secretary.

Officers elected by 1925 were president, Frank Hussey, of Presque Isle, Joseph Murray, vice president, Orono, Mrs. Louise Lord, of Orono, secretary, Miss Velma Oliver, of Dexter, treasurer. Personals for the class will be written by the secretary.

President of the Class of 1926 will be Oren F. Fraser, Turner Center, re-elected, other officers are Willis M. Barrows, vice president, of Hasbrouck Hgts., N. J., Miss Cora Emery, secretary, of Cambridge, Oscar Wyman, treasurer, of Orono. Miss Leone Dakin, of Orono, will edit the class personals.

and will also assist Oscar Wyman and Wallace Elliot as member of the Class Fund Committee.

At the business meeting of 1927, Paul Lamoreau, of Presque Isle, was re-elected president with Earle Webster, of Bangor, vice president, Mrs. Margaret Webster, of Bangor, secretary, and Albert Nutting, of Orono, treasurer. Mrs. Edith O'Connor Thaxter will be Personals Editor, and the executive committee will consist, in addition to the president and treasurer, of Clayton Bockus, of Bangor, Mrs. Sally P. Bogan, of Orono, and George Dow, of Orono. The class voted to purchase, with money from the class treasury, U. S. Treasury Bonds which will mature at the time of the twenty-fifth reunion, to purchase a class gift.

David Fuller, of Bangor, will serve as president of 1928 assisted by Matthew Highlands, of Orono, vice president; Mrs. Thelma P. Dudley, of Portland, secretary, and Horace Bell, of Machias, treasurer. Executive committee members will be Byron B. Porter, of Summit, N. J., Matthew Williams, of Dover-Foxcroft, and Mrs. Edine B. Dolloff, of Orono. The business meeting of 1938, their two-year reunion, resulted in the unanimous re-election of the entire group of class officers headed by John Gowell as president, of Trumbull, Conn., Ernest Reidman, vice president, Bound Brook, N. J., Mary Deering, secretary, Binghamton, N. Y., and Edward Sherry, treasurer, of New York City.

Members of the Class of 1890 celebrated their Fiftieth Reunion and took the 1908 attendance cup for high per cent of registration. Eleven of the twelve who returned are pictured here: left to right, front row, A. W. Drew, F. O. Andrews, G. P. Gould (secretary), A. C. Hardison (president), E. F. Heath; back row, F. G. Quincy, F. # Highlights of the Year

**I**NCIDENT to the operation of a General Alumni Association, there are many reports. Space forbids a full statement of all the activities, but brief summaries are presented in the paragraphs which follow.

## Alumni Activities Fund

Five Classes, 1907, 1908, 1915, 1925, and 1938, voted at their class meetings to make reunion gifts to the Alumni Activities Fund this year. Nineteen-fifteen with a gift of \$100 tops the list of donors. At its first reunion, 1938 made a gift of \$25 with expectations of exceeding even the leading classes in future years. The report of Chairman Gerrity at Commencement showed a total of \$4,240 held in trust.

Five trustees are responsible for the management of this Fund. Under the Alumni Association vote of two years ago limiting tenure of office to twelve years, Joe W. Gerrity, '09, retired this year; Harry E. Sutton, '09, was elected to succeed him.

## Alumnus Advisory Board

This board of five members is responsible for formulating policies and together with the editors makes plans for *The Alumnus*. John "Jack" E. Frost, '37, well-known for his sketches of New England scenes, was elected for a five-year term as a member of the Advisory Board.

## Commemorative Plates

A report on University Commemorative Plates by F. Drummond Freese, '15, indicates that 354 orders for 235 dozen plates have been received. Delivery has finally been made on these by the Wedgwood Company of England. Any surplus from sale of these plates, by vote of the Association, is to be turned over to the Alumni Activities Fund.

## Dues Committee

As chairman of the Dues Committee, Earl Webster, '27, reported that up to May 31 88% of the year's dues budget had been raised. Particularly outstanding was the fact that the Class of 1938 has made the best record of any class in recent years, with 109 dues-paying members for 1939-40. This is 20% higher than any similar class in the last decade. Second to 1938 stood 1917 with 67 payments, followed by 1935 with 61, 1936 with 59, and 1937 with 58. To the Class of 1885 goes the distinction of having the highest per cent of its class pay dues, the figure being 71.4% which is one of the highest marks set by any class in a number of years. The Committee reported payment of 2,238 dues, a slightly smaller number than on a similar date of a year ago.

## Memorial Fund

Arthur L. Deering, '12, chairman of the Memorial Fund Committee, reported that during the year ending May 31, \$2,902

in payments had been received from 103 alumni. This is a substantial increase in payments over the preceding year. Of particular significance was the fact that 58 subscriptions were paid in full during the year. The Committee proposed to press forward vigorously in an effort to collect as early as possible the balance of \$15,000 which is owed to the University on the Gymnasium.

Treasurer Ralph Whittier presented a statement showing the payment of \$2,500 to the Memorial Building Committee which was applied to the note held by the University. Upon recommendation of the Directors of the Memorial Building Committee, a corporation organized for the purpose of constructing the Alumni Memorial the Association approved the recommendation that the note now held by the University of Maine in the name of the Memorial Building Committee be transferred to the Memorial Fund Committee after which, if this plan meets with the approval of the Board of Trustees of the University, the Memorial Building Committee shall be dissolved. This recommendation was approved by the Association which authorized the dissolution of the corporation after satisfactory arrangements had been made.

## The University Store

Matthew Highlands, '28, president of the University Store Company and James H. Freeland, '19, alumni store company stock holder and director, presented the report of the University Store Company to the Alumni Council. This report showed the Store company to have done a good business for the eleven months ending May 31, total sales amounting to \$83,000, setting a new record for volume of business transacted.

## Executive Secretary's Report

Three activities this year have been outstanding among the many aspects of the work, the Seventy-Fifth Founder's Day program, production and delivery of Commemorative Plates, and the Library Fund campaign.

*Founder's Day Celebration.* The University observed the Seventy-Fifth Anniversary of the founding of the institution by holding a formal academic convocation on February 25. The following night the Alumni Association sponsored a dinner with a fine panel of speakers. Such was the quality of the program that part of it was broadcast over a national radio network. About 300 attended the dinner and about 1,000 more were admitted to the balconies for the speaking program. Fourteen local associations also observed this anniversary.

*Organization.* Two new local associations have been organized, Penobscot Alumnae and Old Town Alumni, making now 48 local clubs and two professional

associations. Reports show that 83 meetings have been held with an attendance of approximately 3,320. This does not include the many regular monthly or weekly meetings. More than half of the Local Associations are sharing in scholarships or other University projects.

*Alumni Homecoming.* Measured by attendance and comment the ninth annual Alumni Homecoming was successful. Five hundred and fifty attended the luncheon which was in honor of the 1915 national championship cross country team and individual winners of New England or national races.

*Freshmen-Parents Day.* In three years this event has gained a place of importance on the University fall program. It is sponsored jointly by the University and the Alumni Association. A total of 470 Freshman parents registered. Four hundred and thirty-three attended the supper and brief speaking program.

*The Alumnus.* The magazine was this year sent to more alumni than in any recent years, a total of 59,000 copies having been printed for the first eight numbers, containing 172 pages. Of these pages 25% have been devoted to Personals, the rest to general articles of interest about the University and alumni and to advertising.

*General.* In preparation for the Library Campaign an effort was made this year to check every address which had not been verified within six months. This made a tremendous amount of work. The files now show 56% of the entire list of 11,106 names in the "missing" category, 3% of the graduates lack addresses.

More than seven hundred orders for football tickets, totalling 2,348 tickets were handled by the Alumni Office in the fall. With the present demand and capacity, it is impossible to give complete satisfaction to everyone in spite of earnest effort.

The Placement Bureau reported in a preliminary survey the best employment year since its establishment in 1935. A complete report on this activity is planned for early fall.

*Plans.* A four point program may be worthy of special work during the coming year, depending somewhat upon developments. These four points are: Push forward on the Library Campaign. Strengthen the local associations programs especially in their effort to reach younger alumni. Endeavor to put the Visiting Committee plan into effect. Speed up collection on unpaid Memorial Fund subscriptions.

To the officers of the Alumni Association, to the many workers and committee members of the Library Campaign and to the officers of the University, particular appreciation and indebtedness is due. Their cooperation, hard work, and unflinching interest have in large measure made possible the progress of the Alumni Association.

## Reunion Registration

Registration of reunion classes is given below. The editors regret that space limitations do not permit names of all alumni who registered for Commencement.

1890—Franklin O. Andrews, George H. Babb, John Bird, Fred T. Dow, Albert W. Drew, George P. Gould, Allen C. Hardison, E. Fenno Heath, Edmund N. Morrill, John W. Owen, Frederick G. Quincy, Chester J. Wallace.

## Alumni Trustee Report

As this report is submitted to you it is difficult to realize that our University brings to a close the 75th anniversary of its founding. We are proud of the progress in the field of learning and education that our Alma Mater has achieved. It seems quite appropriate that our 75th anniversary should be marked by the election of the new girls' dormitory which bears the name of Estabrooke Hall in honor of the late Mrs. Kate Estabrooke.

In my report to you last year I mentioned the plans for a new Chemistry Building. It has been a disappointment to President Hauck and the Trustees to discover that it was inadvisable to start construction of this much needed building before this date. However, the plans are ready and awaiting an opportune time for the erection of this building.

The College of Agriculture needs a Plant Science Building. In 1920 the student enrollment in the College of Agriculture was 220. In 1940 the enrollment was 670. In addition to this three-fold increase in enrollment during the past twenty years, this College has many worthy outside demands made upon it. For instance, the registration for Farmer's Week this year was 2000. The registration for the summer school for Poultry was 300. The registration for a four-day conference of the 4-H Club was 300, and the teachers of agriculture in the State registered 350 for a four-day conference this year. Winslow Hall is being taxed beyond an efficient operating capacity. It is the desire of the President and the Trustees to remedy this situation as soon as conditions will permit.

It might be of interest to you to learn

that the United States Government has purchased 2000 acres of land north of the campus and the Government has leased this land to the University of Maine for a period of 55 years with an option to renew. This land is to be used by the Forestry Department for experimental purposes.

President Hauck and his faculty members are maintaining the usual high academic standards of the University, but with an increasing student enrollment the Trustees are aware of the many problems which confront the administrative and educational staffs. Faculty appointments and promotions have been authorized during the past year but few major changes have occurred in the administrative staff.

The University enjoyed a most favorable summer session with an enrollment of 604 which is less by approximately 40 than the registration of the preceding year.

The appointment of Mrs. Maybelle H. Brown, of Waterville, Maine, to the Board of Trustees of the University by Governor Lewis O. Barrows, marks a significant point in University history as she is the first woman to receive this honor. Her appointment fills the vacancy caused by the death of John T. Gyger.

In bringing this report to a close I would like to express the appreciation of President Hauck, Chairman Chase and the Trustees for the manner in which the Alumni body has taken on the campaign work of obtaining funds for the new library.

Respectfully submitted,  
Harold M. Pierce, '19  
Alumni Representative  
Board of Trustees

**LEADERS** The award of two watches at Commencement donated by the Washington Alumni and the Portland Alumnae to the outstanding man and woman leaders of the Senior Class were presented this year to Harold A. Gerish, of Lisbon Falls, and Alice Ann Donovan, of Houlton.

## Treasurer Presents Financial Statement

In presenting his tenth annual financial statement, Treasurer Paul Bray, '14, pointed out that although income from dues and advertising was slightly lower than last year, nevertheless by watching expenditures closely it is hoped that the Association will close the fiscal year June 30 with a small operating surplus.

## Athletic Board Report

*Clifton A. Hall, '10, of Bangor, has retired this year from a long and valuable period of service on the Athletic Board. For thirteen years he has helped formulate and guide athletic policies of Maine; remembered by officials, coaches, and players for his enthusiastic interest and whole-hearted support of clean sports, Cliff Hall leaves behind him a record of leadership and service that has contributed to the athletic progress of the University. His final report as Alumni Representative on the Athletic Board follows.*

To the General Alumni Association of the University of Maine

As the retiring Alumni representative, I herewith submit the annual report on behalf of your three members on the Athletic Board

Last year's report called attention to the urgent need of the Athletic Department for a full time man, qualified to coach freshman teams and assist with the tremendous volume of work in the Faculty Manager's office. As most of you probably know, this need was filled last fall by the appointment of Mr. Samuel Sezak, of the Class of 1931, as Assistant Faculty Manager of Athletics. In addition to his position as Assistant Faculty Manager of Athletics, Mr. Sezak has coached freshman basketball, formerly coached by Mr. Wells, and freshman baseball, replacing Mr. Woodbury in that position. The record of these teams give ample proof of his success as a coach, and the Faculty Manager rates Mr. Sezak highly as his Assistant

Lack of housing facilities on campus for visiting teams is still a very serious situation, and unless such facilities are provided, it will be necessary to curtail or abandon Preparatory and High School Meets and Tournaments.

Another need, now being studied, is increased seating capacities for attendance at football games, as it is now impossible to take care of Alumni at State Series games, as many of you well know.

During the past few years, our Varsity Teams have met with increasing competition, which has aroused more interest among the Alumni and student bodies, and has resulted in a much larger attendance, particularly at football games

The football team won five of their seven games, and the defeat of Bowdoin upheld the tradition that Bowdoin has not defeated Maine on our field since 1921. The basketball team had a successful season and defended last year's state title by

tying for the State Championship. The baseball team was handicapped by the late spring and lack of veterans, but should be much stronger next year. The cross country team did exceptionally well, and a member of our team has won individual honors in the New England cross country meet for four successive years, and is the holder of the present New England record. The track team has produced some outstanding individual performances, one of the members having twice won the mile and half-mile events in the New England meet, and is co-holder of the present records in both. He also has won both of these events for three successive years in the State meet. Two other members have been outstanding in throwing the hammer, and one of them now holds the National Collegiate record in this event.

The freshman class has made an exceptional record in Athletic competition, and the performances of their teams indicates that there is an unusual amount of future Varsity material in their ranks.

Professor E. H. Sprague was a member of the Athletic Board for many years, and his recent death came as a shock to all of the members. He took an active interest in athletic events, often serving as an official, and it is with deep regret that his passing is recorded.

The writer has served as your representative on the Athletic Board for thirteen years, and has enjoyed the associations with the faculty, students, Alumni, and coaches, whose ready and voluntary co-operation have produced well coached teams that are a credit to the University of Maine.

Respectfully submitted,

Clifton A. Hall, 1910

### NOMINATIONS!

Alumni nominations are again in order for the recipient of next year's Alumni Service Emblem award, presented at the fall Homecoming Program.

The Service Emblem is awarded on the basis of services rendered to the University and the General Alumni Association—number, value, and length of services are all taken into consideration. Selection of the recipient is made from names nominated by alumni at large. The nominations this year will be closed shortly and alumni are urged to send to the Alumni Office their suggestions.

Any alumnus may nominate any person who he believes merits this outstanding recognition. Names of persons suggested together with a statement of their services should be mailed at once to the General Alumni Association, 11 Fernald Hall.

# WITH THE TEAMS

## VARSITY BASEBALL

At the close of the varsity baseball season Maine emerged from the series in third place ahead of Bowdoin but trailing Bates and the series winner Colby. Handicapped by a scarcity of pitchers, the varsity nine showed considerable strength in several positions but lost a number of crucial games in late innings.

Senior Harold Gerrish, of Lisbon Falls, was elected honorary captain, an appropriate recognition of his sterling work in center field and at bat. Other stars for the season were outfielder Cliff Blake, '42, of Cornish, and Laurence Downes, '42, of Bangor, behind the plate, both chosen as members of the All-Maine team at the close of the season. The pitching burden was shared mostly by Ed Dangler, '42, of Brooklyn N. Y., Al Mann, '41, of Raymond, and Malcolm Roberts, '40, of Alfred, a letter winner in three varsity sports.

New England Conference games during the latter part of the season consisted of a game with New Hampshire on May 13, Rhode Island on May 24, and a double-header with Connecticut on May 18, all at Orono. New Hampshire won the first of these 4-3 in spite of the ninth inning efforts of the varsity lead by Cliff Blake at bat. Al Mann pitched the first of the game, followed by Mac Roberts but the superior hurling of the New Hampshire star, Al Roper, allowed only four hits.

The last game of the season went to the Rhode Island team with a score of 11-4. The two teams shared ten hits apiece but the visitors were able to drive in more runs. Wet weather made errors common. Mac Roberts pitched for Maine and was replaced by Parker Small, '42, of South Portland.

On May 18 baseball fans were treated to a double-header with Connecticut visiting Orono. Maine took the first game 7-6 and dropped the second 15-2. The game was marked by the strong hitting of the Maine team with Downes the catcher leading with three hits. Gerrish was hitting well and tallied a home run. Ed Dangler on the mound held the visitors to six hits and the team maintained an early lead for a win. In the second game Connecticut showed much more strength as Faulkner Chase, '41, of Bryant Pond, and Parker Small tied out on the pitching mound. A number of errors and weak hitting by the team permitted the visitors an easy win.

State series games during the latter part of the season included a loss to Bates

## FOOTBALL SCHEDULE

1940

Sept 28	Rhode Island, Orono
Oct 5	Columbia University, New York City
12	University of New Hampshire, Durham
19	University of Connecticut, Orono
26	Bates, Orono
Nov 2	Colby, Orono
9	Bowdoin, Brunswick

on May 15 at Lewiston, a victory over Bowdoin at Orono on May 23 and two games dropped to Colby on May 16 and May 22. Bates finished up in the lead 5-0, permitting only six hits with Maine was unable to score at all. Pitchers were Allan Holmes, '41, of Guilford, and Mac Roberts.

Bowdoin was easy for Maine on May 23 to the tune of 12-0 as Cliff Blake climaxed a good season by a four-base drive with two men on in the eighth. Al Mann pitched the full game and gave only three hits. Maine gathered a total of eleven hits in scoring twelve runs, five of them in the fourth inning and three in the eighth.

Colby, last year's title winner and again champion, defeated Maine at Waterville on May 16 and Orono May 22, by scores of 6-2 and 6-1. Colby allowed eight hits in the first game but took ten themselves to win. The pitching of Mann and Dangler was not sufficient to match the powerful hurling of the Colby southpaw Slatery. In the second game more impressive pitching held Maine down to four hits while Colby took eight off the slants of Roberts and Dangler. A tight game through the sixth inning with Colby leading 2-1 was broken up by a seventh inning rally as the visitors reached Roberts to win.

The National ICAAAA track championships saw three Maine entries at Boston on June 1, who scored a total of twelve points, giving the University a tie for eighth place for the country. Don Smith, closing a four-year career of long distance running which has given him a secure place in the all-time records of the University, finished second place in the mile against some of the best runners of the nation. Bob Bennett meanwhile successfully defended his last year's title in the hammer with a throw of 176 feet 8½ inches, while Johnson, his teammate, came in third.

## VARSITY TRACK

The performance of the varsity track team was marked more by individual success than by team victories this year as the championship efforts of Bob Bennett, '41, and Stan Johnson, '40, in the hammer throw and Don Smith, '40, in the mile and half-mile put the name of Maine in the news time and again.

An interesting meet between the varsity and freshmen was held on May 17 with the varsity nosing out a powerful freshman team 72-63 by virtue of strength in the weight-throwing events. In this meet Don Smith set a new University record in the mile of 4:20.3 and Bennett broke his previous national hammer record with a throw of 184 feet 10 inches. The freshmen took the first two places in the high hurdles, second and third in the mile, all three in the 440 and first and second in the two-mile to show their strength.

The traditional New England meet was held at Springfield on May 24 with Maine placing in fifth place. Heaviest scoring for Maine was done by the two stars Bennett and Smith. Bennett set a new England meet record and an American Intercollegiate national record at 183 feet 10¼ inches. Smith was a double winner for the day, taking firsts in mile and half-mile, the fourth consecutive year he has placed first in this meet.

**TROPHY** Governor Lewis O. Barrows, '16, in token of many happy hours spent at state series football contests and in recognition of the traditional rivalry and fine spirit of the series, announced at Commencement this year his gift of a State Series Football Trophy to be held by the winner each year, permanent possession to the college winning most championships in twenty years.

# THE HONOR ROLL

To the Classes of 1879 and 1917 goes the distinction of leading the third annual Honor Roll which contains a record number of 1,378 names. These two classes have the largest percentage and the largest number respectively of all their class members who have paid alumni dues for each of the last three years. While the lead of 1879 appears safe, the 1917 margin of two is so small that 1911 might easily tie or displace them before the close of the fiscal year 1911 has led the Roll both of the other two years since the Honor Roll was established.

Proving that their high standing for each of the past two years was no coincidence, the same three classes of 1910, 1911, and 1917 are up front for the current year 1936 which was second in 1938-39 dropped to fifth place this year. Likewise '79 and '85 have shared the spotlight. The first year these two classes were tied with 50%; last year 1885 led with 57 1/2%. This year the boys of '79 came back, not only to win but to set a new record of percentage for the Honor Roll. Following is the standing for the highest ten classes:

IN NUMBER OF PAYMENTS		IN PERCENTAGE OF PAYMENTS	
1917 — 53	1915 — 41	1879 — 62 5	1887 — 33.3
1911 — 51	1916 — 41	1885 — 57 1	1881 — 31 2
1910 — 50	1912 — 40	1894 — 50 0	1893 — 30 7
1914 — 44	1921 — 40	1884 — 44 4	1908 — 30 4
1936 — 42	1918 — 39	1899 — 35 7	1889 — 30 0
	1933 — 39		

The names of 1,378 alumni are included in the Honor Roll this year as compared with 1,330 for 1938-39, thus setting a new record. The names follow:

WINNERS Reunion Classes competed for attendance cups at Commencement in traditional class rivalry. Two of the winners this year are pictured below. Class of 1915, celebrating twenty-five years out, brought back 48 members, for 23.7% to win the Twentieth Century Cup, 1938 counted 58 members to win the new President's Cup for largest total number in attendance.

## LOCAL ASSOCIATIONS

**Boston Alumni** met on June 6 for their regular annual meeting and reelected Warren H. Preble, '21, of West Newton, president of the group. Other officers chosen were Raymond D. Douglass, '15, professor of mathematics at M.I.T., and Malcolm Oak, '15, of Arlington, vice presidents; Duncan Cotting, '38, of Newton, secretary; William L. Bailey, '26, of West Medford, treasurer; Bruce Holloway, '36, of Boston, assistant treasurer. Bentley S. Hutchins, '24, of Lexington, will serve as chairman of the executive committee.

**Chicago Alumni** welcomed President Arthur A. Hauck at the Hotel Lasalle on March 25. About fifteen alumni and friends were able to attend the mid-western meeting and to hear latest news of the campus.

**Piscataquis Alumni** counted a total of thirty alumni, friends, and guests to a banquet meeting at Guilford on May 15 with C. L. Sidelinger, '17, presiding. Guests of the evening were Prof. J. H. Huddilston from the campus, alumni secretary Charles Crossland, '17, and Trustee R. W. Davis, '11.

In addition to an interesting and enjoyable talk by Dr. Huddilston, latest news of campus activities and the library campaign were presented by Mr. Crossland and Mr. Davis. Officers elected for the year were: president, Matthew Williams, '28, Dover-Foxcroft; vice president, Arthur Peaks, '24, of Milo; and secretary-treasurer, Mrs. Eveline S. Cross, of Guilford.

**Rhode Island Alumni** which includes in one association the alumni also of southern Massachusetts, held their annual meeting in Providence on May 8 with a total of thirty-three present. E. L. Ferren, '20, presided at the business meeting at which new officers were elected. J. W. Ames, '24, president, H. P. Turner, '22, vice president and Clarence Bradbury, '33, secretary. Guest speaker of the evening was Coach Fred Brice.

**Worcester Alumni** met on May 7 at the home of Mr. and Mrs. Preston M. Hall, '15. A total of seventeen were present to greet the guest, Coach Fred Brice who presented reels of 'football pictures and a discussion of Maine's athletics.

**Pittsfield, Mass., Alumni** held an informal picnic gathering on June 9 for alumni in the vicinity with dinner cooked out in the open. Nearly twenty alumni, families, and friends came out for the outing, the first of the kind put

on by the alumni in the area. The picnic was under the general direction of Frank L. Harmon, '17, and Ella Harmon, '19.

**White Mountain Alumni** met on May 23 in Berlin, N. H., with nine present. Scott Lockyer, '09, reported on the library drive in that area and the group authorized the payment of \$25.00 by the association to the General Alumni Scholarship fund, marking the fifth payment by this group for a total of \$125.00.

## Alumni Personals

### Deaths

1876

Walter F. Robinson, of Arlington, Mass., died at his home in that city on April 28 at the age of 85. A native of Hartford, Maine, he studied engineering at the Maine State College, receiving the degrees of BCE and CE. He was at one time a telegrapher with the U.S. Signal Corps and during his lifetime served in various town offices. As chairman of the board of public works and member of the finance and building committees, he took an active part in the life of his adopted city where he spent the last thirty-four years of his life. He retired from active business several years ago.

1887

David Wilder Colby, a native of Skowhegan, died at his home in Lexington, Mass., on May 11 this year. After graduation from Maine, he took advanced work in his chosen field of chemistry at Cornell and returned to the University to serve as assistant professor of chemistry for several years. He was appointed to the Experiment Station at Wesleyan College in Connecticut for some time. Later he served the towns of Skowhegan and Sanford as superintendent of schools until he entered the employment of W. M. Bailey Co., of Boston, where he continued until his retirement eight years ago.

1889

Eben R. Haggett, of Baltimore, died at his home in Baltimore on May 19. Active for many years in the lumber business, he held, during much of his life, the position of president of the J. S. Hoskins Lumber Co. He was a native of Newcastle, Maine, where he continued to make his summer home throughout his life. During college days, he was a baseball player and member of Q. T. V. fraternity, later Phi Gamma Delta.

1906

Winfield S. Webb, well-known lawyer of Mars Hill, died on June 5 at his home following a protracted illness. Formerly serving as tax collector, school board member, and teacher, he was widely known in Mars Hill and Dexter, where he, at one time, resided. He was a graduate of the Law School in 1906.

William R. Roix, a prominent Presque Isle attorney and recorder of the Municipal Court, died on May 22 at the General Hospital in that city at the age of 58. A graduate of the University Law School in 1906, he became active in his profession, serving two terms as Aroostook County Attorney and was formerly clerk of the State Legislature. He was a native of Bangor and practised law at Limestone and Ashland before his residence at Presque Isle.

1919

Dr. George W. Stephens, Dean of the College of Liberal Arts at Washington University, St. Louis, former professor of economics at Maine and honorary alumnus of 1919, died suddenly of a heart attack in that city on May 13. Driving his car at the time of his death, Dean Stephens succumbed while at the wheel, dying immediately. Educated in Iowa Wesleyan College, he came to Maine as a teacher of economics, remaining until 1919. He was well known and liked

among students and alumni and, in recognition of his services, was given the honorary degree of LLD in 1919. Since leaving Maine, he had been employed at Washington University as professor of economics and also as dean of freshmen, dean of students, and subsequently dean of the College of Liberal Arts.

#### 1937

James F. Dow, second lieutenant in the U. S. Army Air Corps, was one of several army officers and men killed in the collision of two army bombers in mid air during maneuvers over New York City on June 17. Falling in flames into the residential district of Queens, the two planes carried to death at least eleven men. A native of Houlton, Dow entered the Army Air Corps for flying training after leaving the University in 1937, and was recently transferred to Mitchell Field, Long Island. During his undergraduate days, Dow was well known as a varsity football player and popular member of his class.

#### By Classes

##### 1876

Dr. Harry F. Hamilton, who was formerly located at 1455 Beacon Street in Brookline, is now receiving mail at Brenton Road, North Falmouth, Mass.

##### 1883

George Sutton, for many years a resident of Orono, Maine, is making his home with his son at 70 Westview Avenue, West Hartford, Connecticut.

##### 1884

##### 1900

Philip R. Goodwin, who has been in the "unknown" list in the alumni office, is now a "known." Mr. Goodwin was on campus during Commencement weekend—his first visit in thirty-nine years. He is located at 1084-16th Avenue South, St. Petersburg, Florida.

##### 1905

Leslie I. Johnstone is an associate engineer for the PWA regional office located in Chicago, Illinois. We are sending mail to his residence, 3016 N. Fiedler Avenue in Milwaukee, Wisconsin.

##### 1908

Dr. Milton Ellis, head of the department of English at the University, is on the summer school faculty at Duke University in Durham, North Carolina, during

the first term of the summer session. He will conduct two graduate courses, one a seminar in the field of American literature. Before coming to Maine in 1919, Dr. Ellis was on the regular faculty of Duke (formerly Trinity College).

Mrs. W. S. Schoppe has been named chairman of the arts and crafts department of the Woman's Literary Union in Auburn.

##### 1911

Alfred M. Blanchard made his first visit to the campus in thirty years when he returned for the banquet honoring charter members of Tau Beta Pi. Mr. Blanchard is auditor for the Detroit and Toledo Shore Line Railroad Company of Toledo, Ohio. Don't forget June, 1941, Mr. Blanchard!

##### 1913

Allan F. McAlary was elected vice president of the Rockland Rotary Club at its meeting on May 3. He will assume his duties on July 1.

##### 1914

The new president of the Eastern Maine Life Underwriters' Association is Arthur G. Eaton, of Bangor.

Miss Albert L. Kavanagh, of Auburn, was named a member of the board of directors for the organization, Woman's Literary Union, of that city.

##### 1915

Carl Magnus is vice president in charge of production at the Wausau Paper Mills in Brokaw, Wisconsin. Formerly he was located at Mechanic Falls, Maine.

Field representative for Park and Pollard Co., Boston and Buffalo, besides owning a poultry and fruit farm, is the occupation, business, and position given by Willis T. Pettey of 179 Highland Street, Holliston, Mass.

##### 1916

Galen M. Low is living at 665 Hammond St., Chestnut Hill, Massachusetts, to which address mail is being sent. He is half owner of a dental laboratory—MacEachern and Low, located at 29 Commonwealth Avenue in Boston.

##### 1917

Richard E. McKown was elected president of the board of directors of the Bay Harbor Y.M.C.A. at their annual meeting in the middle of May. Mr. McKown is also a trustee of the Y board.

C. Max Hilton, of Greenville, is a copartowner of the Piscataquis Savings Bank at Dover-Foxcroft.

##### 1918

O'Dillion C. Turner, of Bangor, captain in the 152nd Field Artillery, Maine National Guard, was graduated from the National Guard course at Fort Sill, Oklahoma.

##### 1919

Paul E. Hodgdon, of Heartwellville, Vermont, was married in April to Miss Jean S. Schouler, of North Adams, Mass. Mr. Hodgdon is a prominent paper manufacturer, being president and treasurer of Deerfield Glassine Company at Monroe Bridge, president and general manager of Keith Paper Mills at Turners Falls, and executive vice president of the Schreier Paper Mill in Warrensburg, N. Y. They will reside in Heartwellville, Vermont.

R. H. MacDonnell, of the Quaker Maid Company laboratories, was one of the speakers at the University's Research Day program held the middle of May. Mr. MacDonnell has been an analyst and chief chemist with the Quaker Maid Company since 1921. In 1934 he organized a

Stanley Currier, who was on campus recently, is part owner of the retail store now known as Currier & Langlois, Inc., in Lebanon, N. H. Before entering this business for himself, he had sixteen years of retailing experience with two of the largest chains of department stores in the country. Mrs. Currier, also trained in retail buying, is active in the management of the store.

Charles A. Snow, superintendent of schools in Union 19, was unanimously re-elected for a period of three years. He

is now completing his seventeenth year as superintendent for Fryeburg, Denmark, Brownfield, and Stow schools.

Gerard H. Nickerson, who is manager of the Electric League of Pittsburgh, is located at First Shop Floor of the Wm. Penn Hotel in Pittsburgh.

#### 1921

C. Hall Baker, of Cape Cottage, is in the business of real estate and construction—office at 546 Cottage Rd., Cape Elizabeth.

Linwood J. Kelley, science teacher and sports coach at Lewiston High since 1924, is the acting principal of Lewiston High School, filling the unexpired term of the late John J. Butler. Mr. Kelley, athletic director since 1938, and Mrs. Kelley, the former Florence Morrill, of Portland, have two children, John and Nancy.

The new vice president of the Maine Craft Guild is Mrs. Rena Campbell Bowles, of Bangor, election was held in Orono the latter part of March.

#### 1923

Lewis H. Reed, for several years manager of the York Haven mill of the Southern Kraft Corporation, has been appointed manager of the Mainette and Menominee plants in Marinette, Wisconsin.

#### 1924

Morton C. Whitcomb is proprietor of Whitcomb Photo Service at Ellsworth, Maine.

Ralph W. Foster is assistant manager for Summers Fertilizer Company in the Bangor office. He lives at 44 Boutelle Road.

Wallace W. Perkins, of the General Motors Corporation, was one of the speakers at the Research Day program held at Orono in May. Before joining General Motors, Mr. Perkins was employed at the Weston Electrical Instrument Company in Newark, N. J., and with the Bell Telephone labs in New York. He has been with General Motors since 1926, being closely associated with the development of a great number of the instruments used at the General Motors research labs. He resides at 22 Devonshire Road, Pleasant Ridge, Mich.

Dear Classmates,

Reunion is over. All not present were greatly missed. Our attendance was not large but all enjoyed the day to the utmost and are beginning to make plans for the next.

At the class meeting the following officers were elected:

President—Frank Hussey, Presque Isle  
Vice President—Joseph Murray, Orono  
Secretary—Louise Lord, Orono  
Treasurer, Velma Oliver, Orono  
Personal Editor—Louise Lord, Orono  
Exec Comm—Ann Henderson, Orono,  
Mildred Schiumpf, Orono

A daughter, Nancy, was born April 15, 1940, to Mr. and Mrs. Richard Dawson, of Claremont, N. H.

Thomas E. Adams, ex '25, is in the National Park Service as junior forester and is stationed at Yorktown, Va.

I am afraid I have not kept in close touch with my classmates but will endeavor to do so in the future.

#### 1926

Leone Dakin was elected vice president of the Bangor chapter of Higgins Classical Institute alumni at their meeting held in Bangor in May.

Alumni Day saw 1926 with fourteen

present for their class reunion which started off with a class breakfast at "Wally" Elliott's. Those who couldn't be among the guests of the Elliotts missed the best pan cakes ever with all the other things that make up a good breakfast.

Ten members were present at the class meeting at which posters and plans were made for the political campaign put on by the classes of '26 and '27 for campus mayor. Irville Cheney was the candidate for 1926 and his campaign speech, put on against Florence Gushie, resulted in a tie vote. Rudy Vallee practically offered to wangle a comedian's job in the movies for Cheney after seeing him perform, so we may be hearing of him as a Hollywood success.

The following officers were elected at the business meeting:

President	Ginger Fraser
Vice President	Bump Barrows
Secretary	Cora Emery
Treasurer	Oscar Wyman
Personals Editor	Leone Dakin

A class fund committee, about which you will learn more later, was appointed as follows: Oscar Wyman, Wallace Elliott, Leone Dakin.

Back for class reunion were "Ginger" Fraser, "Mossy" Burr and Mrs. Burr, Oscar and Mrs. Wyman, "Bub" and Mrs. Stevens, "Wally" and Mrs. Elliott, Beulah Osgood Wells, Leone Dakin, Frank Morrison, Howard Gardner, "Red" Little, Irville Cheney, and Pearl Graffam.

Sunday at the joint picnic Trygve and Shirley Roberts Heistad joined the crowd.

Cora Emery, who was unable to come back for Commencement, wrote as follows:

"I have the facilities here for printing up some booklets for circularization to all the members of the class... All I would need is some negatives, any size, and some of the gossip."

Let's all do our best to give Cora both "negatives and gossip." Send any material you have to her at 329 Concord Avenue, Lexington, Mass.

Send news items about yourself or other members of the class to:

I thought my resignation brought an end to this job, but the alumni office tells me I have one more issue to meet—so here goes.

You should have attended reunion—it was our best ever. We had about twenty-two at the class meeting (not counting offspring) and the new slate of officers is as follows: president, Paul Lamoreau, vice president, Earle (Danny) Webster, treasurer, Albert "Al" Nutting, secretary, Peggy Preble Webster, reporter, Edith O'Connor Thaxter, executive committee, Cuddy Bockus, chairman; Sally Palmer Bogan, George Dow, and the president and treasurer ex officio members. At the meeting we put the finishing touches to our stunt, with Florence Gushie, back from Boston, as our candidate for Campus Mayor. Immediately after the meeting, we decorated the trailer for her campaign parade.

Paul wasn't able to be back for the meeting due to the arrival of ten-pound Jon on June 5. The Lamoreaus have two older children, Sonny, 10, and Annette, 4.

Crystal Hughes Dostie had planned to be present but at the last minute was unable to come. Crystal is living in Skowhegan.

Here are a few of those I saw during the day at the meeting, the luncheon, the tea, or at the outing Sunday. Ernest Grant is instructor of math at Cony High

Louis Smith lives at 1 Acorn Street, Pawtucket, R. I., and is in the Cost Department of Sayles Finishing Plants, Inc., Saylesville, R. I.

Bernard Poor is assistant sales manager of the Fall River Gas Works Company and he lives at 8 Knox Street.

Serena Wood Hussey looks younger as each reunion brings her back to campus. We can hardly believe that there are Lavina S., 11 years, Gorham W., 9 years, Charles W., 7, and Boynton, 5 years old. The Husseys live at 63 Dyer Street, Presque Isle, Maine.

Ed and Jerry Engel came and brought Alan, 11 years, and Teddy, 8. The Engles live at 225 Franklin Ave., Springfield, Pa. Ed is the technical control supervisor of Scott Paper Co.

Bernard gave me news of Wilder Harris who is a yacht designer living in Fairhaven, Mass. He is married and has a daughter about three. He also reported that Sherm Rounselle is active as a 1st Lieutenant in Coast Artillery National Guard in the Fall River area.

George and Edith Merchant Turner were with us and also Gerald 9, Catherine 8, and Robert 2. George is extension forester, and they live at 254 Colchester Ave., Burlington, Vt.

Sid Farris Knowles was at the outing, and she tells me that her daughter's name is Catherine. I've been trying to find that out for six years.

Others at the meeting (and I've no doubt unintentionally omitted some) were Sally Palmer Bogan, Edith O'Connor Thaxter, Fran Sawyer Worcester, Chick Trask, Dick Dolloff, Al Nutting, George Dow, Cuddy Bockus, Danny (Earle) Webster. At the luncheon I saw Mr and Mrs Eliot Freeman (Margaret Boothby). The Freemans live at Kennebunk and have two daughters, one four years and one six months.

After the luncheon Amy Adams appeared. She is teaching English at Matanawcook Academy, Lincoln, Maine. Amy and a friend are planning a two-week trip through the White Mountains—Youth Hostelling—on a bicycle to you.

Isabel Ames also arrived about that time. Izzy is state delegate to the N.E.A. convention at Milwaukee June 30.

Annette Matthews, Edith Hoyt Humphrey, Lorinda Orne Eustis, and Harry Stern were on campus before the stunts started. I didn't see Lucy Farrington Shieve from Skowhegan but heard she was on campus. So much for reunion.

In the news I read that Lieut. Frederick T. Berg, Mrs. Berg, and their two children are en route to Bangor where they will spend most of the summer with his mother, Mrs. J. C. Anderson, on Main Street. August 1, Lieut. Berg will assume his duties as instructor of drawing at West Point.

William "Bill" Hanscom, varsity coach at Presque Isle High, will be employed full time this summer to develop a playground project for the city children. The project is sponsored by the Presque Isle High School.

The Earle Blodgetts are announcing the arrival of Donn Winfield, born at Alfred, Maine, on May 7.

William Gardner is living at 5 Overbrook Terrace, Wellesley, Mass., and his business address is U. S. Engineers Office, West Springfield, Mass., where he is an engineer working on Flood Control.

## 1929

Professor and Mrs. Karl D. Larsen are receiving congratulations upon the birth of Karl Davis Larsen, Jr., May 16. As you no doubt know, Karl is a member of the University Physics Department.

W. Jerome Strout has been appointed chief engineer of the Bangor and Aroostook Railroad Company at Houlton.

Dr. and Mrs. Thomas A. Martin have recently changed their residence address from Washington Ave., Portland, to 17 Farnum St. Thomas is a practicing physician in Portland.

Announcement has been made of the engagement of Miss Rose Estelle Cox, daughter of Mrs. Jacob Cox, of Portland, and Samuel Goldsmith, son of Mr. and Mrs. Arthur Goldsmith, of Old Town. Rose, who also attended the University, class of 1932, was graduated from Portland High School and attended Northeastern Business College in Portland. Samuel is in business in Old Town. Their marriage will be solemnized in June.

Keith B. Lydiard, who has been doing an excellent job in industrial advertising for several years, was last January made a partner in the advertising agency, Alan B. Sanger and Co., 60 E. 42nd Street, New York City. Recently Keith was elected president of the Technical Publicity Association, New York Chapter of the National Industrial Advertisers Association.

Willard F. Turner has changed his address from West Medford, Mass., to 381 Weston Road, Wellesley, Mass.

Rose Estelle Cox, of Portland, and Samuel A. Goldsmith, of Old Town, were married June 16 in Portland.

Frank P. Bostrom has been appointed second lieutenant, United States Army Air Corps. First entering the army flying school in 1929, Frank completed the course high in his class and was commissioned a second lieutenant, Air Corps Reserve. After completing his three-year tour of duty with the Air Corps, he served for three and a half years with the CCC. With the expansion of the Air Corps, he was recalled for active duty and is now on duty with the 88th Reconnaissance Squadron at Hamilton Field near San Francisco.

Please, please send me some items. I didn't receive any month before last and haven't any for next time. Why not make it a June resolution and everyone send me just one item before September!

Louise Bates Ames has been appointed research assistant in Child Development, with instructor's rank, at the Clinic of Child Development, Yale University Medical School, where she has been doing research since she got her Ph.D. there in 1936. She is a co-author of the recent book, *The First Five Years of Life*, by Arnold Gesell, M.D., concerning which a fine article was written under "Education" in an issue of *Time* magazine several weeks ago.

Bill Daley, life insurance underwriter and member of the Portland Life Underwriters' Association, was recently appointed general agent of the Portland district for the State Mutual Life Insurance Company of Worcester, Mass. Bill has been continually in the business since 1931 and has been outstandingly successful as a salesman. His experience and knowledge of the business make him eminently fitted for the position. His new office is at 307 Masonic Temple

Building, 415 Congress St., Portland.

Earle "Bill" Gowell, with the Central Maine Power Company in Rockland, was speaker at Maine on April 29 last, his subject being "A College Degree—Then What?"

Hello,

By this time the 1940 Commencement at Maine has become history. I'm afraid Alumni Day wasn't very well represented by We, Us Co.; but just wait till 1944. We'll show them a reunion that IS a reunion, what do you say?

There are at least two new 1931 babies who'll be a cute size to bring by then. Lyndell Smith (Mrs. Joseph Arsenault) has a daughter, Gail Margaret, who was born December 13. The Arsenaults live at 18 Mill St., South Brewer.

And Mr. and Mrs. Charlie O'Connor have a daughter, Jean Meredith, born May 10. They are now living at 64 State St., Brewer, but will be moving to Winter Harbor in the fall when Charlie takes over the principal's job there.

Congratulations to all these new parents!

Being a parent is an old story to Phil Brockway by now. His oldest daughter is a full-fledged student at the Birch Street school in Orono, and Phil has recently been elected president of the Parent Teachers' Association of the school.

Ermo Scott is still going places. On July 1 he is taking up his new duties as principal of the State Normal School in

Dear Classmates,

Mrs. Jacob Cox, of Park Avenue, Portland, announces the engagement of her daughter, Miss Rose Estelle, to Samuel Goldsmith, son of Mr. and Mrs. Arthur Goldsmith, of Old Town.

Miss Cox was graduated from Portland High School and attended the University of Maine, Northeastern Business College, and Normal School. She is a member of the Portland Club of University of Maine Women and Portland College Club. Mr. Goldsmith was graduated from the Old Town High School and attended the University of Maine. He is a member of Mu Sigma Fraternity, Knights of Pythias, and is a 32nd Degree Mason. The wedding is planned for June. Mr. Goldsmith is associated with his father in the clothing business in Old Town.

Mrs. John M. Ness (Edith Talbot) was recently elected treasurer of the Lewiston-Auburn College Club.

Amel Kiszczak was elected vice president of the Department of Maine, Reserve Officers' Association of the United States at the annual convention held recently in Waterville.

It gives me great pleasure to announce the birth of a son, Robert Hammond, to Mr. and Mrs. Kenneth Ludden, of Fling Street, Brewer, on April 29.

The engagement of Miss Beulah M. Stariett, of Warren, to Dr. Judson P. Lord has been announced. Beulah is a member of Phi Beta Kappa, Ivy Chapter, O.E.S., Mystic Rebekah Lodge, and of the Congregational Church.

Dr. Lord is a graduate of the Kuksville College of Osteopathy and Surgery, of Kirksville, Mo., and attended the U of M. He is a member of Sigma Chi, St. George Lodge, F and A M, in which he holds the office of junior warden.

### 1933

Sorry to disappoint you people last month, but due to a slip-up in Orono, the news failed to appear. However, this month's column, as a result, can be twice as long and oh—so much news and choicy bits!

The engagement of Evelyn Plummer to Stacey Miller, '32, was recently announced. Mr. Miller is a Land Use Specialist.

By the time you read this item—Marian Dickson will have become Mrs. Donald L. Lester, the ceremony to have taken place June 15. "Don," '32, is employed as claim representative of the Travelers Insurance Company in Portland.

Elizabeth Janet Young was married to Mr. George V. Hunter, of Freeport, on March 25. Mr. Hunter was graduated from Freeport High School and Gray's Business College in Portland.

To Mr. and Mrs. Prescott R. Ward (Emily Lyon) a son, Jeffrey Lyon, born April 10 in Malden, Mass.

To Mr. and Mrs. Arthur Lufkin, Jr. (Kay Small) a daughter, Deborah, born May 12. Incidentally, the Lufkin family are now residing in a lovely new home on Parsons Road here in Portland.

To Mr. and Mrs. Elson R. Blood (Edna Grange) a daughter, Linda Lou, born in St. Albans, Vermont.

To Mr. and Mrs. Winthrop C. Libby (Betty Tryon) a son, Lawrence W., born in Bangor.

To Mr. and Mrs. Lyman A. Cousens, Jr. (Helen Findlay) their second son, William Findlay, born June 6 in Portland.

Ludger A. Lucas is now living at 149-32-19th Avenue, Whitestone, L. I., New York.

Mr. and Mrs. Dean M. Bailey (Marian Ladner) are now residing at 229 Deaderick Avenue, Knoxville, Tennessee.

Doris Hutchinson is an instructor of nurses at the Gifford Memorial Hospital in Randolph, Vermont.

Mr. and Mrs. Elwood N. Eaton (Margaret Denton) are living at Glenwood Landing, L. I., New York. They have a year-old daughter.

Eddie Haggett, Jr. is now an assistant patent examiner in the U. S. Patent Office in Washington, D. C. He is living at 11 Carroll Ave., Hyattsville, Maryland.

Thomas A. Knowlton is on leave of absence from the Department of Labor, Washington, D. C., and is located, until July, at Sterling Hall, University of Wisconsin, Madison, Wisconsin.

Ah—an intellectual in our midst—Professor Charles Durward Brown will come to the University next fall as professor of mechanical engineering. Charles received his Master's degree in the above mentioned subject in 1939 from Harvard.

Mrs. Helen Clements Roderick, of Old Town, was recently elected vice president of the homemakers' section of the Maine State Home Economics Association.

Word from Phil Havey—he has three children, Philip, Jr., 4½, Elaine 2½, and James 4 months. The Havey family are living at 158 Linnmore St., Hartford, Connecticut, where Phil has been associated with the Hartford Accident and Indemnity Company as a safety engineer for the past four years.

Mrs. Richard Mowrer (Rosamond Cole) is docking in New York on the liner Manhattan as I write this. Rose, a European correspondent, with her husband, has traveled in most of the European war zone, including Scandinavia, which she covered alone.

Ah-ha, a playwright also in our midst (what a class, these '33ers). Rose Smider recently had the unique pleasure of seeing her very own one-act play, "Roll Up the Fog," presented by the Workshop of the Jewish Community Center.

The Buttermilk Bar, on Route #1 near Yarmouth, is now going full swing under the very able direction of Mrs. Peg Humphrey Redfern. Drop in and leave a bit of news for your Winchellite this summer. P. S. better buy a sandwich, too.

### 1934

Things looked pretty bad for the '34 column until the last minute, then some unexpected lifesavers came along—voices from the past, as it were. We were delighted to get a letter from Al Bitner. Al says that after much fooling around with commercial photography he has wound up in the supply end of it and likes it extremely well. He is with the Eastman Kodak Stores Inc., Madison Ave., New York City. On April 10, 1940, he married Helen Stuart and took a vacation drive down into Virginia for a couple of weeks.

Another very unexpected letter was from Dot Romero, out on Nankato, Minn. Dot says Fern Allen Turbyne has a baby, Marjorie. She says the nearest she gets to babies is teaching Child Development at the State Teachers College.

Mary Jones is now living in Silverton, Colorado. She was just married in September to David Chase, a geologist. Dot gets back to Maine once a year, but even

as you and she says "Would that I could be back to reunion" It's such a thrill to hear from you people who have gone so far away

Another surprise letter was from Jud Lord telling of his recent engagement to Beulah Starrett, '32 The wedding is to take place the last of August That's good news to hear.

Bill Crockett is making news again Bill has recently been elected to teach English in the Chapman Technical High School in New London, Conn

Harriett Frances Knight was married June 3 to Bob Adams Mrs Adams attended Boston University and was graduated from a business college in Springfield She has been employed in the office of the Central Maine Power Company at Livermore Falls. Bob is connected with the International Pulp and Paper Company at Livermore Falls

A wedding announcement that pleased me was that of Johnny Stinchfield to Pauline F Acker, of Greenfield, Mass, on June the first

Enoch Meiciei is doing very well in New Jersey

The four of us would like to hear from Freddy Black in case he reads this column

Returning from Portland, we stopped at Old Orchard and while indulging in a mad ride on the merry-go-round saw Arline Higgins Cobb and her little boy, Ralph They were home on their vacation George is now regional supervisor for Montgomery Ward stores in New York City They live at Franklin Park, L. I., N. Y.

Bob and I have a camp at Winthrop for the summer and hope to grab a little sunshine between showers I've gone in for farming in a small way and we'd love to have any of you drop in and share spinach with us The address is 15 Suifside Ave, Point Shirley, Winthrop Mass

Paul Woods is in the real estate business with his father. He is living in Newton, Mass.

Ralph Hawkes is an accountant for an insurance company in Hartford, Conn.

Philip Mealey was recently elected manager and coach of the Caribou Clovers baseball nine. Here's wishing you much success, and I sincerely hope they are all four-leaf clovers.

We have four new babies in the class now. A daughter, Jane Bonney, born to Mr. and Mrs. Red Bates; a daughter to the Keegans; a son, George David, to Mr. and Mrs. John Brimmer; also a baby (can't tell which, boy or girl) to Mr. and Mrs. James O'Connor. Best wishes.

Jeanette MacKenzie became the bride of Mr. Frank Stedman Wilson on April 10 at Kingman, Arizona. Best of wishes to you both.

I saw Jo Snare, Barbie Lancaster, Marion Larsen, and Alice Stewart at the All-Maine Women's banquet. Barbie plans to attend summer school at Maine this summer, also Phil Dimitre and Carol Stevens.

We have several weddings, some recent ones; others, I'm afraid I missed.

Raynor Brown and Georgia Thayer were recently married in South Paris, Maine. Jane Goldsmith was bridesmaid. I believe they will live in Norway, Maine.

Bob Ohler was married to Miss Priscilla Arnold, of Milton, Mass. Bob is a student at Harvard Medical School.

The wedding of Ruth Swett and Ralph McCrum took place at Camp Paraiso, Canal Zone. Lieutenant McCrum, since leaving Maine, was graduated from the University of New Hampshire in 1939. He enlisted in the U. S. Army and was stationed at Fort Preble until last October when he was transferred to the Canal Zone.

Frances Jones and Paul Winsor were recently married in the Mt. Vernon Church, Boston. Mr. Winsor was graduated from Bangor High School and attended the University of Maine, transferring to Colby College, where he was graduated in 1938. He is employed by the New England Tel. and Tel. Company in Boston. They will make their home at Apt. 15, 102 Queensbury St., Boston.

Reginald (Rip) Murphy was recently married to Miss Irene Hall. Rip is employed by the Ballard Oil Company in Portland, Maine. They are living at Higgins Beach, Maine. Best wishes to all of you.

The first speaker at the New England Woman's Association held in Boston was Jack Frost. Telling of his work, Jack spoke of our many old buildings just "aching to be sketched."

Congratulations to the Hoyt's Win and Libby announce the birth of a daughter, Janice, born May 16 at Farmington, Maine.

Alan Duff is acting head of the Du Pont plant at Arlington, N. J. The Duffs are living at 786 Kearny Avenue.

It's a boy this time, born to Mr. and Mrs. James C. Cameron on May 8. The Camerons are living in Waltham, Mass.

I have one bit of news which is timely—the engagement of Florence Shannon to George Neville, of Whiting, Ind., was announced today. Florence has been teaching at Jonesport High School. Best wishes to you both.

Even though we did not have a reunion, a few '37ers were represented at Alumni Day. Don Kilgour represented the class in the annual Alumni vs. Seniors baseball game. Don held the Seniors scoreless for three innings at which time he gave another pitcher a chance to try his luck.

Among the '37ers I saw were Ruby and Roddy Elliott, Carol Stevens, Norman Carlisle, Charlotte Davis, Alice Stewart. There were probably a great many others, but I didn't chance to see them.

So long until another fall.

Dear Classmates:

What a success! There were 58 registered from the Class of '38 and there were probably 100 or more '38ers there—at reunion. For having 58 registered we received the new cup called the President's Cup, a gold one to be given to the class having the largest number back regardless of the number in the class. There was a great deal of speculation about whether we would ever get it again, but let's!

Saturday morning we held a class meeting in which we voted, among other things, to give \$25.00 to the Alumni Association. The class also voted to keep the same officers until another reunion if you don't throw 'em out before.

In the afternoon we had a class skit. What an event! Your President was Handsome Harry, king of the cowboys. Sitting Bull, Bob Hussey, and his accomplice, Dunc Cotting (what scoundrels). Hula Hula, Margaret Lowell, was a medicine woman and was perfect. Wild Nell—pet of the plains—Lucy Cobb. Jo Profita was director, reader, and general straightener-outer. The heroine was played by the class secretary who walked right out of her hoop skirt. The props were Don Kelley and Bob Fuller, the silver screen. The Prairie Dog hut and a Cactus Plant, Wally Hardison.

Jo Profita wanted me to be sure and include the following note:

Don't forget to put in the Alumnus that Rudy Vallee came over and shook hands with me and said how grand the skit was. You know there may be two or three people I missed telling.

Sunday was the picnic at Sebec Lake out Dover-Foxcroft way. There happened to be horses (not work horses, either). Peg Hinkley Davis got taken for two kinds of rides and came back without a horse. You would have laughed. There are at least four who have some black and blue spots in peculiar places due to said horses. Bob Harvey was another who took a ride!

Peg Hinkley Davis has a girl who is now 13 months old. Her name is Constance Ruth. She was born April 21, 1939. Peg is living in Bridgeport, Conn. She is going to go into a new apartment in the fall so she couldn't give me her address there. She is going to be in Brewer for this summer. She is the same old kid! The baby can walk now and has a vocabulary of about ten words, including Mama, Daddy, Baby, and seven others.

George and Brownie Roundy were there and we saw pictures of their baby. George is now in charge of Clean-up Direction (Hurricane) and is in the Massachusetts State Conservation Department. His work is in Maynard, Mass., and their residence is Groton, Mass.

Rose Whitmore is working in Bangor, Freese's Department Store as assistant to the advertising manager. Her address is 169 Broadway.

Miriam Hilton is to be in Washington, D. C., again next year in the Home Economics Department. Her business address is 6034 So. Building and she has an apartment at Apt. 408, 1819 G St., N. W. Washington, D. C. She said she would be easier to find in South Building, and I guess she would.

Lawrence Denning is now an assistant manager of one of New York City's W. T. Grant Stores.

Chunk Ireland was back and I understand that among other things Chunk has learned is that by calling all his men friends he was able to find out how to "fold eggs"! Dick is in Boston.

Of course, everyone helped out and I can give you lots of news through them.

Mary Leighton is to teach in Alfred High School next year. That is her home town. She has been teaching in Casco.

Tom Lees and family are living on 1171 Boylston St. in Boston. I understand that the family is three now but don't know any more.

Mary Pendell Gaetz's address is 3787 West 136th St., Cleveland, Ohio. Her husband has been transferred.

Cora Sharon is visiting Mr. David Mann in the state of Montana.

Joan Cox is private secretary in the Eastern Manufacturing Co. in Bangor.

Gordon Chute who has been working in the Harvard Experimental Forest at Petersham, Mass., is next fall going to study at Harvard for his M.A. in Forestry.

Ida Mae Hart is now Mrs. Ben C. Harding. The marriage was announced at a reception on June 13 at the Thorndike Hotel in Rockland. Mr. Harding is from Holliston, Mass. He studied two years at Colby and received his degree from Huntington School in Boston. Ida Mae and her husband will be at home in Waterville after Sept. 20.

Evelyn Adriance Miles had a baby boy, David Holmes Miles, born May 25 in the Eastern Maine General. Her husband you know is a German Prof. here at the college. Her address is Parkview Apts., Orono.

Georgia Taylor has set June 29 as "the date." The wedding is to be at 4 o'clock at the Congregational Church in Fryeburg. John Thurlow, now doctor, is the groom.

Dorothy Craig ex-'39 is to be maid of honor. Bridesmaids are Barbie Ware, Madolyn Cory, and Marion Desmond all of So. Portland and Miss Elizabeth Thurlow, of Fryeburg.

John Thurlow graduated May 25 from Kirksville College of Osteopathy and Surgery at Kirksville, Mo.

Penn Hussey was married on April 27, 1940, to Estelle Cota of Orono. Penn is employed at Scott-Libby Mills in Lewiston. Estelle was working at the Book Store on the campus. They are to live in Lewiston.

Howie Crafts was married Wednesday, May 29, to Hazel M. Mayo, of Portland, Maine. The ceremony took place at 7:30 p.m. in the Williston Congregational Church. A double ring ceremony was performed by Rev. Franklin Cole of that city.

Howie is employed in the offices of the Shell Oil Company. After the wedding trip the couple are to live for the summer at White Bridge, Sebago Lake.

Received a nice letter from Ethel Mae Currier Williams with a snapshot included. I wish you could see either the snapshot or the original. It is of Ethel Mae's and Dick's baby. Looks like bright brown eyes, curly brown hair, chubby hands and feet in the air. Her name, Miss Barbara Jean Williams, age 4 months. Ethel Mae writes that Dick is Food and Drug Administrator in Philadelphia and has been since February. He likes it very much. Their address is 452 E. Tulphoecker St., Philadelphia, Pa.

Lucy Cobb and Paul Brown, '39, are to be married June 24 in the church at

Belfast, Maine. Lucy is having Mary-Helen Raye as maid of honor and me as bridesmaid. Dana Drew, '39, will be best man. A reception will be held following the ceremony at Lucy's home. The bride and groom will be at home in an apartment in Bucksport after a wedding trip.

Before I end this column for now, let me say that I think that the reunion committee headed by Wally Hardison certainly did a fine job and probably many would like to join me in this.

Sincerely,

Mary Deering

Hello, Again,

First, let's congratulate Ruth and Joe Hamlin on a real Maine Day achievement. On May 1, a baby girl, Linda Hamor, was born to them at Lincoln, Maine. From all reports Ruth, Joe, and Linda are all doing well.

Barb Corbett and Thomas Barker were married June 4 at the St. John's Universalist Church in Orono. A reception followed at the Corbett home.

Virginia Maguire and Arbie Doherty chose June 22 for their wedding at the Cathedral of the Immaculate Conception in Portland. They are residing in Boston where Arbie is employed in the Personnel Department of the Eastern Gas and Fuel Association.

The marriage of Jeanette Lamoreau and Benjamin Ela, Jr., was solemnized June 10 at Orono. Jeanette has been doing graduate work at the University this year. Benjamin, '40, received his B.S. in Chemical Engineering on the same day.

In May, the marriage of Mary Cooper and James Reid, 2nd, which took place November 25 in Cambridge, was announced. James is a biologist and at present is doing work in the field of pathology at the Massachusetts Institute of Technology. They are living at the Riverside Hotel, Memorial Drive, Cambridge.

The engagement of Audrey White to Walter Beyer was also announced in May. Audrey has been a member of the faculty at Westbrook Junior College this past year. Walter was graduated from Milton Academy and Harvard University in 1932. He is now registrar and professor of history at Portland Junior College.

A letter from Buddy Dean Daggett informs us they're moving again. This time (and it's their fourth) to 1007 East Brookland Park Boulevard, Richmond, Virginia.

Melvin McKenzie and Hamilton Dyer graduated May 11 from the Air Corps advanced flying school at Kelley Field, Texas, after nine months of training.

Paul Chapman was elected to teach shop work in the Bangor Junior High Schools for the next school year. This past year he taught at Thomaston where he had

## REPORTS AVAILABLE

Mimeographed copies of detailed Alumni Association reports as made up for distribution at the annual meeting at Commencement, are available for any alumni who would like to study the results of the year's business. As long as the supply lasts the alumni office will be happy to fill any requests for such reports. Just write to 11 Fernald Hall and ask for an annual report.

charge of all shop work in grades 7 through 12.

Janet St. Pierre is a home supervisor for the Farm Security in Maine. Others in the work as farm supervisors are Bob Farris in Newport, Frank Washburn in Bangor, and Bernard Hannigan in Fort Fairfield.

'I only know what I read in the papers'—but after Dorothy Silver's glowing account of life in South Africa, Home Ec-ing in the U.S.A. seems pretty tame. Dorothy just returned from a ten months' visit in that country.
